

DISCOUNT BROADCAST PROGRAM

This program is designed for those who want to broadcast **a single file per week**. If your file does not qualify according to the "FREE PROGRAMMING" criteria above, you could qualify for this DISCOUNT PROGRAM.

1. You must submit a file that fits within the time frame for your broadcast slot.
2. You need editing services to add the INTRO and OUTRO

The time frames for this program are as outlined are AFTER adding your INTRO and OUTRO. **Evangelism Radio will not provide editing services for programs that do not fit the above listed time limits on broadcast times.**

If you desire us to add your INTRO and OUTRO, you should record your INTRO and OUTRO, add the time for those two files together and then subtract that time from your broadcast file time.

FOR EXAMPLE:

1. Time limit for 30 minute time slot is 27 minutes.
2. Intro is 30 seconds
3. Outro is 45 seconds
4. $30+45 = 1 \text{ minute } 15 \text{ seconds}$
5. $27 \text{ minutes} - 1 \text{ minute } 15 \text{ seconds} = 25 \text{ minutes } 45 \text{ seconds}$ time for your program recording.

Cost for this editing is a flat \$10 per month for ONE FILE playing in ONE TIME SLOT on ONE SINGLE DAY per week.

If you want to have a broadcast on TWO DAYS PER WEEK then the cost will be a flat \$15 per month for this DISCOUNT BROADCAST PROGRAM.
